

from the Pastors Desk.

As part of our adult catechesis in this Year of Faith, Sacred Heart Church is happy to present a series of talks entitled: **“Human Formation: An Examination of the Virtuous Life.”**

Mr. Mitchell Hebert, theology teacher at Sacred Heart School, will present six talks focusing on human formation. These talks will explore the four most important or “cardinal” virtues that govern the moral life. Understanding these virtues and their opposing vices can increase our potential for receiving and using grace given to us by God. Grace from God builds upon our human nature; therefore, it is important to examine and understand what can be done to strengthen and form our human nature.

The practical goal of these talks will be to give examples demonstrating how these virtues play out in daily life. This will help parents and their children integrate these virtues. Parents have the responsibility to form their children in the Catholic Faith, and understanding these virtues will give parents a focused goal for cultivating these virtues in their children.

The first talk will introduce the idea of human formation and the overall goal of this series. The next four talks will address a cardinal virtue, explaining the nature of that virtue and its opposing vices. The last talk will focus on the idea of grace, showing how human nature is transformed by grace freely given by God.

The talks will begin on Tuesday, April 16 at 6 p.m. in the Sacred Heart High School Commons and continue for six weeks. All are welcome and encouraged to attend.
